E. C. WALTON

### CHARLES A. HARJIN.

of Mercer county, is a candidate for Commonwealth's Attorney of this, the 18th judicial district, subject to the action of the Democratic party.

### JOHN SAM OWSLEY, JR.

is a candidate for circuit judge of this, the 18th district, subject to the action of the Democratic party.

### M. C. SAUFLEY

is a candidate for circuit judge of this, the 18th judicial district, subject to the action of the Democratic party.

GOV. WILLSON has pardoned W. S. Taylor, Charles Finley, John Powers, Holland Whittaker, John Davis and Zach Steele, all under indictment for complicity in the murder of Gov. Wm. Goebel in January, 1900. Not one of these assassins has ever faced a trial jury on the indictments and it is very plain that he who now disgraces the chief executive office at Frankfort never intended that they should. The Powers referred to in this case is teaching in Pennsylvania and is a brother in crime as well as in blood to Arch Fiend Caleb Powers, also at liberty because of the partisan, unjust, blind, unreasonable and unprecedented action of an unholy governor. As to Whittaker, Steele and Davis but little is known beyond the fact that their necks should be wrung. They were hirelings of Caleb Powers and are also his brothers in crime, as was W. S. Taylor. The law-abiding people of Kentucky stand aghast at the appalling prostitution of the pardoning power and feel that the constitution of our State is a mockery and that the law is a cheat. Gov. Willson tries to appease a guilty conscience and calm the storm of an outraged people by pointing to the unhappy fate of W. S. Taylor, who, he says, was forced to leave his native land and flee to another State. The chief executive, partisan that he is, can not deny that the guilty, along with the wicked, flee when no man pursueth. This fact, and this alone, was the motive which impelled that irresponsible being, who has been disgraced and disgraced the gubernatorial chair of Kentucky to fly into the arms of an Indiana governor and to seek protection from the stern mandates of Kentucky justice, which was then meted out by men mindful of their oaths.

ODD FELLOWS all over the country celebrated yesterday the 90th anniversary of the existence of the order in America. It was founded at Baltimore in 1819 under a charter from the grand lodge of England. Latest statistics show that there are 1,396,319 members now in America and that the order distributed relief last year to the amount of \$5,113,000 to 137,368 brothers and 6,832 families of widows. A great and good order. May it live long and continue to prosper.

THE Wisconsin Legislature is wrestling with a bill to exempt employers from the lures of their stenographers. It provides that all transactions between an employer and his stenographer shall be accorded the same legal exemption as transactions between a church communicant and the priest to whom he confesses, a lawyer and client and a physician and patient. By this exemption, it is believed, the power of a stenographer to gain a hold over an employer is destroyed.

THE editor of the Kentucky State Journal is so wedded to his idols that nothing can change him. He wants red liquor sold anywhere and everywhere a man can put up the license and as he is set in his ways we will not try further to convince him of the error of his way. What is the old saying about smart men changing their minds, etc?

A LIGHTED cigarette thrown into a pile of rubbish caused a \$50,000 fire at Appalachie, Va. Moral: Let the little coffin nails alone.

### POLITICAL.

Former Senator William M. Stewart is dead at his home in Washington.

The are 75 candidates for county and city offices in Fayette. The democratic primary will be held May 4.

The Florida Senate by a vote of 24 to 7, passed a bill for the submission to the voters of that State the question of State-wide prohibition. The bill is now before the House.

Henry R. Brewitt, chairman of the Democratic State Central Committee, has been called to New York on legal business and there will be no meeting of the committee at the Seelbach, which had been set for to-morrow.

In the Tennessee Senate Saturday the Cummings bills, allowing the sale in cities of certain population and the manufacture in Tennessee of malt beverages containing not over 4 per cent. alcohol, were rejected on second reading.

In the republican primary held in Adair county Saturday for county officers the following candidates were nominated: County attorney, M. Ray Yarberry; Circuit Clerk, W. L. Price; School Superintendent, Miss Pearl Hindman; Assessor, J. M. Wolford; County Judge, Marshall Moss; County Clerk, L. R. Stults; Sheriff, A. B. Patterson; Coroner, Dr. C. M. Russell, and Jailor, A. W. Tartar.

Senator Dolliver was the central figure of an exciting debate on the tariff. The Iowa Senator took the Finance Committee sharply to task and declared that if the bill was passed, as reported, no one would be able to tell it from the Dingley bill. He declared that the schedules must be cut, and that the revision thus far was merely a joke. Senator Aldrich replied, and a sharp cross-fire debate was kept up for some time.

WALTON'S Opera House was the scene of beauty and chivalry on last Friday evening. The occasion was the dance given by the Stanford Dance Club and right well did its members sustain their reputation for entertaining lavishly. Weber's Orchestra, of Cincinnati, with seven pieces, made music of melting sweetness and joy was unconfined. A handsomer bevy of young ladies and gentlemen was never assembled and the costumes of the gentler sex were of exquisite beauty and taste. At 9:30 the grand march, led by Mr. John Menefee and Mrs. Susan B. Yeager, was begun and the scene was an inspiring one indeed. A delightful repast was served by Mrs. W. S. Jones at 12 o'clock and all went as merry as a marriage bell until the early hours of morning, when the strains of "Home Sweet Home" reminded those who had tripped the light fantastic that one of the most enjoyable dances of the season had come to an end. Many spectators graced the occasion with their presence and the chaperones helped to make pleasant the memorable occasion. ### THERE'S NO EXCUSE.

You should be well dressed. When clothes are as good and as moderate in price as they are with us, there's nothing but blame for you if you don't dress well, not extravagantly mind you, not expensively, just decently, that's all. It won't cost you much to fit out with us. Take our \$17.50 Spring Suit as an instance. You couldn't have clothes made to your order, which would fit you any better, or any that would have more tailoring in them. Or do you prefer coat and trousers with fancy vest? If so, you will find us with an excellent assortment. Come in and advise with us.
